6 CARL HENRY OLSEN, III,

Case No. 3:15-cv-00367-MMD-WGC

7 Petitioner,

ORDER

8 v.

9 ROBERT LEGRAND, *et al.*,

10 Respondents.

11 This counseled habeas petition comes before the Court on Petitioner's motion for  
12 leave to file Exhibit 9 under seal (ECF No. 47). Exhibit 9 is Petitioner's presentence  
13 investigation report, which is a confidential document. In accordance with the  
14 requirements of *Kamakana v. City and County of Honolulu*, 447 F.3d 1172 (9th Cir. 2006),  
15 the Court finds that a compelling need to protect the privacy and/or personal identifying  
16 information of Petitioner in the sealed exhibit outweighs the public interest in open access  
17 to court records. The motion for leave to file Exhibit 9 under seal (ECF No. 47) is therefore  
18 granted, and Exhibit 9 is considered properly filed under seal.

19 DATED THIS 21<sup>st</sup> day of May 2019.
